**"Mary Stuart -A musical legacy of strong women"**

**May include music by Byrd, Bach, Beethoven & Chopin**

This London-based German pianist engages with his audience and draws on all his exceptional background and experience to take them on a musical journey.

His objective is simple - to share the joy and excitement of music with his audience. All the details about Valentin's informative musical event will follow. It does have some amazing revelations in it and it will be a thoroughly entertaining evening.
